Program Structure

The two-year programme is divided into Four semesters of six months each with online classes for FIVE days a week. All the classes will be conducted through online mode between 6.45pm and 8.45pm from Monday to Friday. At the end of each semester, a five/six days physical contact class will be arranged and End semester examination will be conducted on those days. During the on-campus classes, students are expected to attend the classes at MSSW which will not be available in Zoom/Google classroom.

The End Semester will be conducted physically at MSSW campus.

A unique aspect of the program is the exit options available to students to earn either a Certificate or a Diploma based on their choice and convenience.

- On completion of Semesters, I & II, students will get **ADVANCED CERTIFICATE IN PMIR**
- On completion of Semesters I, II & III, students will get a **DIPLOMA IN PMIR**
- On completion of all 4 Semesters, students will be conferred with the **PG (HONS) DIPLOMA IN PMIR**

Eligibility for Admission

Any graduate who has passed out from any recognized University is eligible to apply for this programme. Preference in admission will be given for working professionals. Fresh graduates may be admitted subject to availability of seats.

Fresh Graduates

Only a few seats are available for fresh graduates. Such persons should have high academic and extracurricular achievements. Fresh Graduates sponsored by a Company of repute will be given preference in admission, subject to other rules regarding admission. Candidates appearing for the final year of their degree examination may also apply but admission of such candidates will be provisional and will automatically be cancelled before 30th August of that academic year if they don't complete the degree.

Sponsorship

Industries may sponsor candidates for this programme and ensure the availability of high quality trained personnel for handling personnel and industrial functions.

Admission Process

All applicants fulfilling the stated requirements will be called for an online personal interview and subsequently shortlisted candidates will be given admission.

Curriculum

The curriculum is focused on disseminating professional knowledge and specialized skills. It sharpens and shapes attitudes essential for the students to grow into competent managers and responsible leaders. It emphasizes the conceptual and analytical approach to problems and issues and gives the students an insight into the business world and the environment in which they will operate.
