The orientation program was organised so that the green rotaractors will get an insight into what rotaract club actually is and how can they contribute towards it. The program was started with the thamizh thai valthu and college song. Later, the sergeant at arms collared the president and the president calling the event to order. The welcome address was given by the president Rtr. Rohini.S, which was followed by the introduction of the speaker by Rtr. Nirmal Prasad (community service director). There was brief notice regarding rotaract was given by Rtr. Karthick sir from the parent club. The speaker of the day was Rtr.PP.PHF.PDRR.Subhadra Marimuthu a green rotaractor, who gave an inspiring speech which kept the audience engaged and lively. She said that rotaract is all about making mistakes and learning from it and also to make friends like family. She briefed about the various services in the club and gave an example for each. She shared her experience has a rotaractor which was quite interesting. She explained the scope of rotaract has an international body and there are several clubs across the globe working to make this world a better place and make a difference. Rotaract is a platform to showcase one's talent and increase their competencies. She concluded with two things that one must enjoy the journey as a rotaractor and give their best. The second important duty is to save the mother earth and give it to the next generation. After this, the token of gratitude, a momento was given to the speaker, to Rtr. Karthick and to the past president of parent club by the faculty coordinator Dr. Rachel. The vote of thanks was given by the secretary, Rtr. Sonia Alappat. The session was concluded with the national anthem and the president adjourns the meeting.
