

## EFFECTIVE RESUME MAKING

Greetings from SDC 2019-2020...

We're extremely happy to share, our first **Peer Learning** session was held on 13/09/2019 (Friday) at 12.30 pm as part of **SDC's social platform initiative**.

The session was on **effective resume making**, facilitated by **Mr. Nithin Kumar student of M.A. Development Management**.

There were **20 participants/ beneficiaries**. The participants reported very good feedback and stated interest for more such events.

We look forward to conduct many such events regularly with all your support and enthusiasm.

Thank you
