## **UGC-Network Resource Centre**

### **Annual Report – 2019 - 2020**

#### **About**

Since 1987, the University Grants Commission has been assisting colleges in procuring basic Information & Technology infrastructure like personal computers and other peripherals. Through the X and XI Plans, the UGC assisted MSSW to establish the “UGC – Network Resource Centre (UGC-NRC)” and provided grants for the purchase of computers and internet connectivity. Since then, MSSW has been providing computer and internet facilities to the students and faculty members. The computer lab is equipped with 20 desktop computers with 100mbps internet connectivity. Students are also provided with Wi-Fi connectivity inside the campus. Thus, the centre strives to create a digital learning environment for the students at MSSW.

#### **Functions**

- **Facilitated Education Management System:**
  - Online admission process
  - Online academic fee payment
  - Online database management

- Online Examination Process
- Online Accounting and Report generation
- Online mark entry and attendance management
- Online File Management

- **College website and Social Media**

1. The college website ([www.mssw.in](http://www.mssw.in)) was revamped with the cost of Rs.2,30,000/- (Two lakh thirty thousand only). It was launched on 1<sup>st</sup> April 2020, the date on which online applications for PG courses were opened.
2. The events of the college, departments, cells and centres are published regularly on the facebook page <https://www.facebook.com/MSSWChennai>
3. Videos are published on the Youtube channel of the college regularly.

- **G-Suite for the Staff and Students**

1. Unique e-mail ID's were created for the staff and students to have access to G-mail, Google classroom, Meet, Sheets, Slides, Docs, Forms, Youtube, and other Google products.
