2.6 Innovative processes adopted by the institution in Teaching and Learning:

- The curriculum has various unique components like observation visits, skill labs, classroom sessions, study tour, project work, field work and dissertation which involve massive participation & interaction of students& community and thereby analyzing their community problems. Such wide variety of curricular components makes learning multi-faceted and engaging.
- Extra-curricular activities like guest lectures, students' forum activities etc contribute to the teaching and learning processes.
- Being an autonomous college, equal weightage is given to both internal and external exams. The internal continuous assessment adopts a basket of testing mechanisms like tests, in-class assignments and takes home assignments.
- The illustrative list of innovative take home assignments include short survey, field visit and analytical reporting of the visit, Preparing a photo dossier and analytical comments, Poster presentation on a theme, Presenting a paper in a conference, Making a short documentary, Preparing a case study, Publishing an article in a national daily or news magazine or journal, Report of an in-depth interview with an individual, Report of key informant interviews at least with three individuals, Preparing an information dossier on a particular issue, Analytical report on a focus group discussion, Developing a research tool, Making an instructional multi-media presentation etc.

# 3. Research, Consultancy and Extension

3.1 Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution

- The IQAC regularly anchors Faculty Development Programmes on select research themes. In the past, FDPs on quantitative and qualitative research have been conducted.
- Apart from the IQAC, the College has other forums to sensitize / promote research climate in the Institution. For instance, the College has a separate research and publications department that takes up industry sponsored projects. Further, the College supports all initiatives of faculty members to take up independent research projects. The College journal is a platform to publish the research outcomes too.
- At the curricular level, a paper on research methodology and statistics is provided to all students. Further, there are venues for carrying out group projects and dissertations.
- At the extra-curricular level, the students' forums regularly conduct conferences to present research work of faculty / students.
- Further, the faculty members present and publish papers in various forums.
