

Community Day Report 2022

Date:10/01/22

Beneficiaries: Transgender community & street vendors

Introduction

This is the report about that community day celebration of 2022 by the Students Development Council of Madras School of Social Work on 10/01/2022 with the cooperation of all department staff and students .

Community day

This year's community day celebration was planned to be held in college premises but due to the spread of covid-19 we couldn't make it. Even though we planned to help the community of transgender and street vendors. So we continued collecting ₹50 from each student from the college and planned to provide some provision items costing ₹1000 to the 30 beneficiaries. Totally ₹31,200 have been collected from the students and faculties of MSSW. By 10/01/2022 we purchased the provision items at ₹35,000 since one of the college students (Mr.Rajavel)helped us in reducing the cost and brought us the goods for ₹31,682. The provision items were packed and loaded in a tempo and brought to Tondiarpet, chennai. In Tondiarpet, we provided the provisions to 25 members of the transgender community . Then Mr. Yadeendar recited a poem about transgender to the community and we left from there and returned to college. We have founded 5 street vendors near the college before, so we gave the remaining 5 provision kits to those street vendors.
