Mary Clubwala Jadhav

(1908 – 1975)

Founder, Madras School of Social Work

Mrs. Mary Clubwala Jadhav, a woman with an in born instinct and insatiable thirst for service to humanity, founded the Madras School of Social Work in 1952. Born in 1908 into a rich Parsi family, she was raised strictly in the traditional way by her mother who taught her the values of caring and sharing. In 1926, she was married to Mr. Nogi Clubwala who encouraged her to involve herself in social activities. She was a regular visitor to Government-approved schools and worked for the Red Cross. After the sudden demise of her husband, instead of retiring into a shell, she decided to employ her time meaningfully and immersed herself in social work with total sincerity and commitment.

In 1937, Mrs. Mary Clubwala was made the Honorary Secretary of the Guild of Service. In 1942, during World War II, Mrs. Clubwala founded the Indian Hospitality Committee and persuaded women from all communities and walks of life to join in the effort to organize mobile canteens, hospital visits, diversional therapy and entertainment programmes for the army. The victorious army presented her a Japanese sword in appreciation of her tremendous efforts and Mrs. Mary Clubwala was called “the Darling of the Army” by General Cariappa. After the war, her focus was once again on the Guild of Service which became a banyan tree that diversified into various projects like health centres, bakery units, an adoption centre, family assistance schemes, meals on wheels, rural development projects and a school for the deaf, to name just a few.

Mrs. Clubwala’s concern for destitute children was responsible for starting the Seva Samajam Boys’ Home and Girls’ Home in Adyar in 1950. These homes gained an international reputation as model institutions. In 1954, through the joint efforts of the Guild of Service and Madras Rotaract Club, she was instrumental in starting Bala Vihar in Kilpauk, a school for mentally challenged children.

Perhaps Mrs. Clubwala’s most significant contribution was establishing the Madras School of Social Work realizing the need to facilitate easy access and appropriate practical learning for students interested in social work in the southern region, as there were only three schools of social work in India and all of them were located in the North. She visited various schools of social work in the USA to learn about their functioning and finally her dream came true in 1952.

In 1941, she received the Most Excellent Order of the British Empire (MBE). She was honoured by the International Council of Social Welfare with the “Outstanding Service Award” at The Hague in 1972. She was awarded the Padma Shri, Padma Bhushan and Padma Vibhushan by the Government of India for her exceptional services. On 6th February 1975, she breathed her last in Bombay after a surgery to fight cancer. Condoling her death, the then Prime Minister Mrs. Indira Gandhi mourned that India had lost an eminent social worker.

Today Madras School of Social Work stands as a testimony to her dedication, perseverance and will to overcome obstacles, which helped her realise her dream of starting a school to train professional social workers.

The College reserves the right to dismiss a student at any time whose conduct is considered unsatisfactory for any reason.

PROGRAMME FEES

Students who are selected for admission will have to pay the prescribed programme fee in full as mentioned in the Fee Structure Sheet. Students of self-financed programmes will be given the facility to pay fees in two installments (semester-wise). Fees for the first semester as indicated in the Fee Structure Sheet

should be paid at the time of admission and the subsequent semester fees should be paid within 30 days of commencement of the semester. Fees not paid within the stipulated time will be accepted only with fine as prescribed by the college management from time to time.

After the expiry of 30 days from the last date of fee payment, the defaulter's name will be removed from the roll and he/she will be re-admitted only on payment of arrears and fine upto the date of payment and re-admission fee of Rs.50/-. Likewise, the hostel fee also needs to be paid as per the time schedule prescribed by the authority concerned. Failure to adhere to timelines will lead to denial of hostel accommodation.

Fees can be paid online or through bank challan downloaded from the website. Fees once paid will not be refunded for any reason whatsoever.

Actual expenses towards trips for field work, observation visits, rural camps, out-bound training, preparation of research report, will be met directly by the student's concerned, as and when required. Payment to Agencies for field work training should also be borne by the students who are availing such training.

VEHICLE PARKING

Students are permitted to park only two wheelers inside the campus. Students are encouraged to use public transport system to reach the college. Due to inadequate parking space, four wheelers of students are not permitted inside the campus for any reason whatsoever.

Campus Placement

MSSW has a placement cell which is headed by a full-time Placement Coordinator. It provides equal opportunities for all students to register for placements and facilitates maximum number of placements, though the college does not guarantee placements for all, due to various reasons. Many of the recruiting organizations have their own eligibility criteria according to their company policies and candidates who fulfil those criteria alone are preferred by the organizations. **Most organizations require a minimum of 60-70% marks from 10th standard to post graduation with no history of arrears to appear for campus interview.** Further, students are expected to relocate to any where in India or abroad depending on the organization's roles and requirements.

MSSW placement cell follows the policy of one offer for one candidate to ensure that maximum number of students is benefitted. Once students register for placement process in a particular company after a pre-placement talk, they have to appear for the same and accept the offer, if any. Students who register and then choose not to appear will be debarred from the subsequent placement process.
