

MADRAS SCHOOL OF SOCIAL WORK

PG DEPARTMENT OF SOCIAL WORK – (DISABILITY AND EMPOWERMENT)

Report on

Workshop-II - Role of enterprises in empowering people with disabilities

Date: 14th November 2022,

About the workshop series:

Social work profession that always demands one to update regularly on their skills and techniques to excel in this field. To enhance the skills, the PG Department of social work (Disability and Empowerment) organised a series of workshops on “*Skill enhancement for social work students*”. The team of experts from the field of social work and allied professionals, identified by the department enlightened the students with their experiences and knowledge to help the students to equip and meet the career demands and excel in their field of Disability and Empowerment.

Role of enterprises in empowering people with disabilities:

The workshop was started by the Tamil Thai valthu. Followed by the welcome address by Ms. Aiswarya, the second year student of D& E. Then Ms. Sulagna, 2nd Year student talked about the workshop and Ms. Bhomika from First year gave an introduction about the Resource Person, Prof Agnes Roshini, Assistant Professor, Madras School of Social Work.

The resource person said about her expected session in the initial class. That is to get attention, secondly interaction based on the student’s interest and thirdly shooting questions are the different sessions.

She started her workshop with three different model approaches they are the 3 E’s:

- Entrepreneur
- Entreprise
- . Entrepreneurship

Some questions which the resource person asked were some entrepreneurs' names and also she talked about accessibility equipment and seating arrangements for the disabled ones.

And she took a class on the topic of global market, Social entrepreneurship and soon. She also mentioned professional sign language and modelling. Vote of thanks was given by Mr. Arpit from First year.
