Suicide prevention Awareness Programme

A suicide prevention awareness event was held at PVR, Grand mall, Velachery on 20th September 2022. The event highlighted the need for suicide prevention and helplines available for suicide prevention. The event included awareness activities such as face-painting, flash mob, suicide prevention batches with empowering messages, awareness charts and posters. The event was a great learning experience for the participants. The public awareness event was well received by the public and the event was a grand success.
