Principal's Report

Warm greetings to all!

I am delighted to present a glimpse of the activities of the college for this year. This year has been significant to us in many ways inspite of the impact of COVID. I am glad to inform that we secured A+ grade with a score of 3.40 in NAAC Accreditation which is one step above our grade in the last cycle. We were also ranked 30th among all colleges in India by NIRF. These achievements were possible through the hard work of faculty, students, management, alumni, subject experts, resource persons and other stakeholders. We will march forward and reach the highest grade in the next cycle.

EVENTS

Though we were on campus only for three months, the year has been abuzz with all the planned activities.

- We had the full complement of 866 students of whom 71% were women students in the 10 programs affiliated to University of Madras. We received 3881 applications for the 395 seats at a ratio of 1:10. We have admitted students from 18 states of our nation which has truly enhanced the diversity in the campus.
- Nine national conferences were conducted on a variety of themes including Climate Resilience, Women in workplace, Reducing Inequality, HR flow in new Eco system, HR Symphony, Rural Development, Conversing Gandhi, Care of persons with intellectual disability and Youth and Well being. Apart from these 14 certificates courses, 21 workshops and 53 webinars have been conducted for the benefit of our students. Over 219 guest speakers and resource persons have participated in these events.
- As a college dedicated to social work, we are closely engaged with issues related to society not only in term of academics but also policy and practice. Last year we were part of Government Policy framing process in the areas of women, homeless, relocation and senior citizens.
- The year was a landmark in our extension activities. We have launched a Community College at Karalapakkam village to train women in Tailoring and at Kattur to train youth in plumbing. A unique food kiosk has been set up in our campus for providing livelihood to a transgendered person. Under the Social Entrepreneurship Incubation Centre, an outlet that provides livelihood support for two women with disability has been started in the campus. This outlet sells eco friendly products that support traditional livelihoods. The Youth Resource Centre conducted a special job fair for youth with disability in which over 40 were provided job offers. Apart from this 70 youth have gained employment through the centre.
- Our students have been active in curricular and co-curricular activities throughout the year. Over 244 students have participated in seminars outside college and 140 students have participated in competitions.
- Along with their academic responsibilities, our faculty members were active in research, training and consultancies for the Government and other sectors. Our faculty trained over 2700 employees of the Madras High Court on Gender sensitization. We provided training on Green Enterprises to 10 youth with intellectual disability. One of our faculty was involved in developing a training module on Public Relations for Police Personnel in partnership with Anna Institute of Management. We provided need based skill training to women & entrepreneurs in 18 districts of Tamil Nadu under TNSRLM / TNRTP projects.
- Our consultancy division has taken up CSR Impact Assessment of National Thermal Power Corporation and Kudankulam Nuclear Power Corporation projects.
- Our placement record last year has been spectacular with over 102 students placed with an average CTC of 5.7 lakhs per annum. Over 62 organizations have visited us for placements.

Principal's Report

CENTRES FOR EXCELLENCE

The Centre for Social Entrepreneurship was active in conducting several boot camps and technical workshops on Social Entrepreneurship. One of their significant activities was imparting training for a Cohort of 10 youth with intellectual disabilities on Green Enterprises. Some of them have successfully taken up farming activities. The Centre also conducted a National level Social Pitch in which over 60 teams from all over the country participated. The newly started Centre for Ageing conducted training programmes with NISD collaboration apart from a program for managers of old age homes. The Centre for International Collaboration conducted webinars and initiated discussion with foreign Universities including Trinity Western University, Canada and Binghamton University, USA. The Centre for Digital Learning has initiated Moodle Learning Management System and also enhanced access to digital learning resources.

I acknowledge the involvement of Government departments that collaborated with us, University of Madras for their constant support and the RJDCE. Our gratitude to the Governing Body, College Committee, Academic Council and the various Boards of Studies for their role in administrative and academic governance. Our sincere thanks to the internship/placement organizations and all the guest speakers and resource persons who added value.

After years of dedicated service three of our staff members are retiring this year.

- Dr. Sarah Karunakaran
- Mrs. P.K. Vathani
- Mrs. Angel Rajam

Principal's Report

We sincerely appreciate their service at MSSW and wish them health, happiness and new beginnings post retirement. At this moment we also acknowledge Mr. Moses Selvakumar's committed service as the Hostel Warden for the past 9 years.

We acknowledge the committed and whole hearted engagement of our esteemed office bearers Mr.K.A.Mathew, Chairman, Mr.Muthukumar Thanu, Secretary and Mr.John Zachariah, Treasurer. Their involvement has been critical to the success of all our ventures.

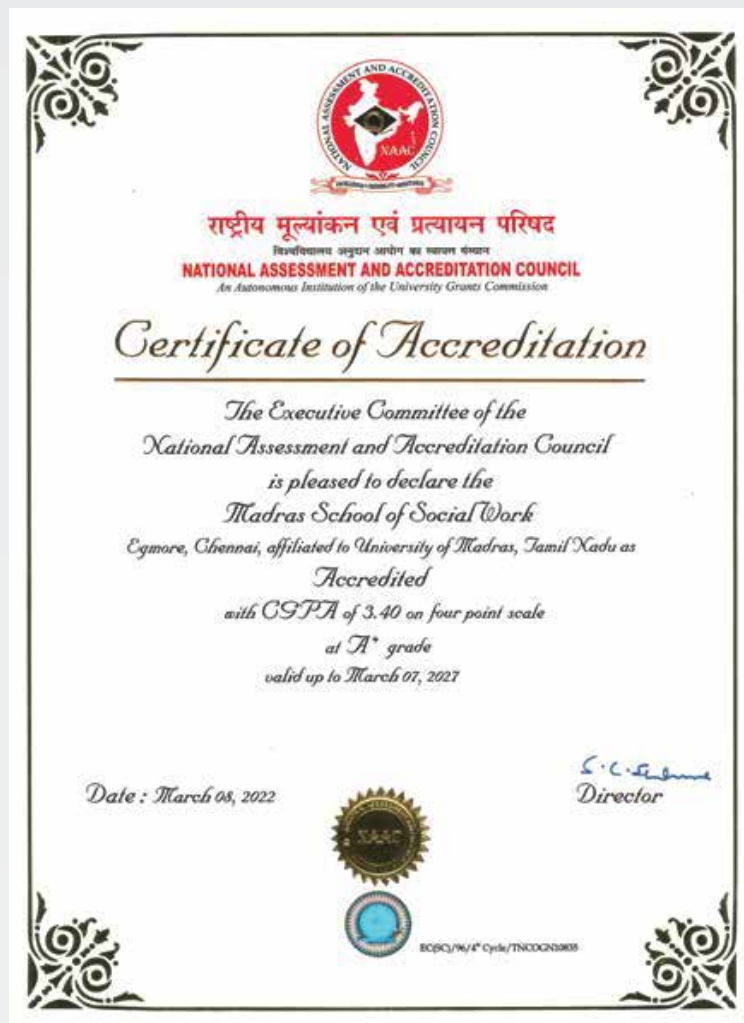

Our sincere appreciation to Dr.A.Enoch, IQAC Co-ordinator and Ms.Satya, Additional Co-ordinator for their able support in compiling the data for the various assessments. We record our appreciation to the Students Development Council, Student President Mr.David Asir, Cultural Secretary Mr.P.Nambi Srinivas and Sports Secretary Mr.Yadeendar for their able leadership. And lastly a huge thanks to our dear students for their vibrant presence in the campus and disciplined engagement with the learning process. They are the reason for our existence and their success makes us proud.

I humbly thank the Almighty for his presence in the campus and in our lives. We dedicate all our achievements to the memory of our great founder Mrs.Mary Clubwala Jadhav.

Thank you.
