

MSSW Library Book Exhibition 2024

9th & 10th September 2024, MSSW Library premises

The MSSW's Library Book Exhibition 2024, held on September 9th and 10th, was a grand event that brought together students, staff, and book lovers from across the campus. It was inaugurated jointly by three dignitaries—President Mr. K.A. Mathew, Principal Dr. S. Raja Samuel, and Dean Dr. Subhashini. Their presence set a vibrant tone for the two-day exhibition, which turned out to be a grand success.

The book exhibition featured five reputed book vendors, who displayed a wide range of books, with **around 800 titles available for browsing and purchase**. These books covered various subjects, ensuring that there was something for everyone. Students and staff alike were drawn to the exhibition, with **over 300 visitors attending the event**. The majority of the attendees were students, who showed a lot of enthusiasm, particularly for fiction books.

One of the key highlights of the event was the generous discount of around 20% offered by the vendors on all their books, considering the exhibition was mainly arranged for students. The students eagerly took advantage of this opportunity, purchasing books not only for personal reading but also for academic purposes. Staff members also made the most of the discounts, adding to their own collections and recommending valuable titles for the library.

The range of books on display was diverse, **covering subjects like psychology, social work, management, competitive exam preparation, current affairs, fiction, self-help, and general reading**. The exhibition sparked a lot of interest, particularly among students who were keen to explore new topics and expand their reading boundaries.

In addition to personal purchases, the event also contributed to the library's collection. **Staff members and students recommended more than 100 books for the library, and based on their recommendations, most of these books have been added to the library's collection**, ensuring that these valuable resources will be available for future students to benefit from.

The exhibition was not only a platform for book sales but also an opportunity for students to explore their interests in a relaxed and engaging environment. It allowed them to discover new topics and titles that they might not have encountered otherwise.

The two-day event concluded successfully, thanks to the active participation of students, staff, and vendors. The exhibition provided a unique opportunity for the college community to come together, celebrate reading, and enrich the library's collection, making it a meaningful and fruitful experience for everyone involved.
